SPORT PSYCHOLOGIST

JOB SUMMARY:

The incumbent is required to assist athletes in optimizing their performance and general well-being through mental skills training. They will provide support to individual athletes and teams to optimize their athletic performance in training and competition through a variety of evidence-based techniques and skills; as well as provide support to sport coaches and other sport science specialists for overall development where necessary, thereby fulfilling the mandate of SporTT.

ROLES AND RESPONSIBILITIES:

- Create, review & modify mental skills training plans for each athlete/team
- Conduct scheduled sessions with athletes/teams/coaches
- Observations of athletes in training & competitive environments/situations
- Development of athlete, coach and staff education presentations
- Produce mental skill sessions reports
- Weekly reporting to fellow unit professionals
- Monthly activity reporting to supervisor

QUALIFICATIONS:

- MSc or higher Sport Psychology (or relevant degree)
- Practice related accreditations preferred or capacity to attain
- Relevant graduate training under mentor/supervised experience

EXPERIENCE:

- 2 or more years working in sport-based environment

KNOWLEDGE, SKILLS AND ABILITIES:

- Evidence based approach to practice
- Adaptability
- Strong ethical code, especially regarding confidentiality
- Knowledge of key psychological theories & interventions such as CBT, SDT etc.
- Strong report writing skills
- High emotional intelligence
- Ability to work in a multidisciplinary team
- Ability to play & implement workshops

All candidates must possess good interpersonal skills with a strong work ethic and commitment to excellence. Candidates must be able to deliver superior quality in a fast-paced environment.
